Village Board Takes Four Hours to Discuss Matters Tuesday Night

Clerk Shultis, and Trustee Blackman Sworn in, Appointed

Antioch officials transacted business until after midnight Tuesday and then adjourned with much business still on the agenda.

Much time was spent in annexing the Crown subdivision, and hearing the petition of the business men for the new street back of the stores on the east side of Main st.

Clerk Clarence Shultis, an appointee who was elected to the office on Apr. 21, and John Blackman, new trustee succeeding Arthur Rosenfeldt, were sworn in office along with others re-elected.

The re-election of Edgar Simonsen as fire chief was approved by the board with Trustee Simonsen hesitant about voting his own name.

Approval was given to the Veterans of Foreign Wars to sponsor a carnival from June 18 to 20. This places the carnivals of the V. F. W., American Legion, and Lions Club three weeks apart.

President James W. McMillen announced the appointment of board committees for the year as follows:

License and licensing—George F. Garland, chairman, Murrill Cunningham and Edgar Simonsen.

Streets and lighting—Cunningham, Simonsen, and John Blackman.

Sewer and water—Art Hawkins, Garland, and Edmund F. Vos.

Finance and auditing—Blackman, Garland, Cunningham.

Printing and publishing—Garland, Hawkins, Vos.

Public buildings—Blackman, Simonsen, and Hawkins.

Salaries—Hawkins, Blackman, and Vos.

All other village employees are retained, and former trustee Rosenfeldt will continue as plumbing inspector.

Bock Lost to Track Team By Hand Injury; Was Top Point Maker

Charles Bock, whose outstanding ability in the shot put and discus, has kept Antioch Township High School's track and field team abreast of other schools this year severely injured his right hand yesterday and may be lost to the team for two weeks or more.

Bock was attempting to pole vault and his spikes caught on a bar, causing him to lose his balance. He threw out his hand to protect himself as he fell and spiked himself. Three long and deep gashes were cut by the spikes in the palm of the hand with which he puts the shot and tosses the discus.

Bock won third in the shot put and fourth in the discus for a total of five points last Saturday in the DeKalb relay as the only point winner for Antioch.

He won both the shot put and the discus events in the meet Monday with Grant in which Antioch won 75% to 37 1/2%.

Friends are hoping that he will be well enough to take part in the county meet, or the conference meet at Palatine, May 29.

Campaign Started for Council Officers at Antioch High School

Petitions went out on May 4 for candidates for the offices of secretary and president of the Student Council of the Antioch Township High school for next year. Each candidate must secure a petition from the Student Council if he wishes to run for office. On these he must secure the names of ten members of each of the four classes who promise to support his campaign. The petitions must be submitted for Council approval by noon on May 11.

Campaign speeches are to be given by all candidates in a special assembly held on May 12. At this time also, class meetings are scheduled, at which time students running for the offices of Council representatives will present campaign speeches before their respective class.

Ballots will be given to each class so that they may cast their votes for students to fill all of these offices.

Lions Meet at Smart's
The Lions Club will have its dinner meeting Monday evening at Smart's Country House.

New Factory May Start Operation Next Monday

The Gephart Manufacturing Co. is installing equipment for its new plant in the Fields building and it is reported that operation will start Monday.

The company representatives received many inquiries from prospective employees over the weekend and no doubt will have many ready for training when operation is started. The company will make fishing rods here ready for assembly in Chicago.

Joseph M. Horton, 86 Dies at Racine, Wis.; Funeral Here Saturday

Three Sons Reside in Antioch, Daughter in Racine

Joseph M. Horton, 86, for four score years a resident of Lake county, died at 4:30 a. m. Wednesday at a hospital in Racine, Wis., following a lingering illness.

He was born April 27, 1867 in Grayslake and lived in this county until 6 1/2 years ago when he went to Racine to live with his daughter, Mrs. Edith Janssen of 1639 Park avenue.

Mr. Horton was a retired farmer. Surviving are three sons, Joseph E., Floyd W., and Louis A. Horton, all of Antioch, and the daughter, Mrs. Janssen. There are eight grandchildren and seven great grandchildren.

The wife, Jennie Maria, died Apr. 3, 1925.

The funeral service will be held at 1:30 p. m. Saturday at the Strang Funeral home with interment in Millburn cemetery. The Rev. G. Richard Tuttle will officiate.

Friends may call after 1 p. m. Friday.

Antioch Thinlies Beat Grant, but Lose to Grayslake Wednesday

David Petty led Antioch High School's track team to victory over Grant High in a dual meet here Monday 75% to 37 1/2%.

He won the low and high hurdles and the pole vault, and finished second in the half mile and third in the discus.

Next in the scoring was Charles Bock who took first in the shot put and discus throw, and placed third in the low hurdles.

John Wells won the 220; John Arndt, the half mile; George Halverson, the mile; Bill Gallagher, the 440; Jerry Quilty the high jump; and Bill Blake, Wells, Chuck Behrendt, and Gallagher took the relay.

For Grant, Gil Zelasko won the 100 yard dash and placed second in the 220 and second in the broad jump as high point maker for his school. Goodwin won the broad jump, second in the low hurdles, and third in the high hurdles. Gardner placed second in both the mile and the low hurdles, while Shaw finished second in the century, and third in both the 440 and pole vault.

Without the services of Charles Bock the Sequoia lost to Grayslake and Grant in a triangular meeting yesterday afternoon. The meet was won by Grayslake.

Future meets for Antioch are the freshman-sophomore meet at Zion tomorrow, and the district meet Saturday at Evanston.

Civic Groups Seek a Throughfare East of Main, Back of Stores

Representatives of the Antioch Chamber of Commerce and Lions Club appeared at the village board meeting Tuesday evening seeking approval of a plan to establish a street at the rear of stores on the east side of Main st. from Park ave. to Depot street.

Charles Cermak, Jr., George Borovicka, and Mrs. Marion Pechousek represented the chamber and Irving Carey, the Lions club. Private entrances now give access to the rear of the business places where some of the property owners have garages.

It was said that a street or some kind of thoroughfare paralleling Main st. back of the stores would relieve traffic on Main st. and would give the public access to, off the street parking.

The main problem at this time is to obtain an opening or entrance at Depot st. The trustees left to the two organizations the task of solving that problem and then invited them to petition for the new street.

N. A. Harrison, 70, Formerly of Antioch, Dies in Portland, Ore.

Nathan A. Harrison, 70, former Antioch resident, died Sunday, May 3, at his home in Portland, Ore.

He had been in poor health for some time, but suffered a heart attack while mowing the lawn at his home on Tuesday, April 28, and became critical. Cause of death was diagnosed as angina pectoris.

Mr. Harrison, known as Andy or Doc to his friends in Antioch, was born in this village June 17, 1882 and lived here until 12 years ago when he and his family moved to Portland, Ore. While here he engaged in carpentering and operated the Waukegan Oil Co. before it was sold to Sinclair Refining Co.

Surviving are widow, Mrs. Eva Clark Harrison, and a daughter, Mrs. Beulah Grieve of the home. Ernest Clark and Mrs. Ova Aronson of Antioch are brother-in-law and sister-in-law respectively.

The funeral service was held at 1 p. m. yesterday in Portland.

Word of the death was received by the Earl Hortons who visited the Harrisons last year.

Antioch Nine Wins From Grayslake But Lost to Bensenville

Antioch High School's baseball team won from Grayslake 13 to 7 over the weekend, but lost to Bensenville 3 to 0 Tuesday.

Today the Sequoia play Palatine here and tomorrow they will play Grant there.

Two Children Killed In Lake Villa Fire After Stove Explodes

Mr. and Mrs. Ralph Johnson, Baby Escape, Edith, 4, Edward 6, Lost

Two children of the Ralph Johnson family, Edith, 4, and Edward, 6, on Grand ave., four miles east of Lake Villa were suffocated and burned to death in their beds at 2 a. m. Tuesday when an oil stove in the room exploded.

The parents and an 18-month-old son, Ralph, Jr., escaped, although Mrs. Johnson was taken to St. Therese hospital with burns about the face and hands.

The two older children were trapped behind a blazing cloth screen which separated their beds and that of their parents and the baby brother in the two-room second floor apartment. William Alwardi, 72, who owns the building, and his two sons slept in the lower apartment of the building.

The Johnsons awakened them and the younger of the two Alwardi sons rushed up stairs and tried to save the two Johnson children, but the flames drove him back.

Boyd Roush, a truck driver from Aurora, noticed the fire as he drove past, and grabbing a fire extinguisher, made his way into the bedroom and carried the boy and girl out.

In the meantime the older Alwardi son went to a store at the intersection of Grant ave and Rte. 45 and called the Lake Villa fire department.

Windsor Dalgard, formerly of Antioch, said he and other firemen tried to revive the two children without success. They were then taken by ambulance to St. Therese hospital where they were pronounced dead.

The father of the children received a cut on his hand as he attempted to break open a window to get air and effect escape.

Couple Not Injured In Car-Train Crash On 173 Wed. Night

Mrs. Marion Vik, route 83 north of Antioch, and Ted Poulos, owner of Ted's Sweet Shop, escaped serious injury in an accident which completely demolished the car last night (Wednesday) at the crossing of route 173 and the Milwaukee railroad, east of Antioch.

Mrs. Vik said that the brakes of the 1947 Ford failed and that she was unable to stop although the crossing gates were down. The car struck the side of a box car of the moving train and was hurled to the ditch, finally coming to rest in three feet of water of the pond to the north of the road near the crossing.

Poulos and Mrs. Vik were taken to a Waukegan hospital where it was ascertained that their only injuries were superficial bruises.

Mrs. Vik is an employee of the Antioch National Tea Co. store.

Mrs. Emma Runyard Dies at Trevor, Wis. After Long Illness

Mrs. Emma Runyard, 76, died at her home near Trevor, Wis., Wednesday afternoon following an illness of seven months.

Born Emma Klopp, Dec. 12, 1876 in Chicago, she spent most of her life in Salem township, Kenosha county, Wis. There she married Arthur Runyard June 12, 1907, and they spent their life on a farm near Trevor.

She was a life long member of the Holy Name church at Wilmet. Surviving are the husband, two sons, Chester B. Runyard of Grayslake, and Vernon Runyard of Antioch, and three grandchildren.

The funeral service will be held at 9 a. m. (CST) Saturday from the Holy Name church with Fr. Harold O'Connor officiating. Burial will be in Wilmet cemetery.

Friends may call at the Strang Funeral home after 1 p. m. Friday. Rosary will be said there at 7:30 p. m. CST Friday.

Mrs. Ben Miller Stricken

Mr. and Mrs. Ben Miller went to Marinette, Wis., ten days ago to visit a niece, Mrs. Joe Anglehart, and while there Mrs. Miller suffered a heart attack. She was taken to a Marinette hospital and is in a serious condition according to Mr. Miller who came home the first of the week.

Crown Subdivision Annexed To North Border of Village

Cancer Fund Now \$507 With Goal in Sight;

The Cancer Fund in Antioch has passed the \$507 mark and is on its way to the \$600 goal, Mrs. Louise Keulman, chairman, announced today.

Greatest impetus to the drive came yesterday when in the collection of coin receptacles, the can at the Coddington Hardware store yielded \$70.

It was learned that the proprietor of the store gave a rubber plate scraper to anyone who dropped a coin in the receptacle and this drew the large number of contributions.

Friday night and Saturday of this week will be observed as Tag Days for the fund.

The benefit dance will be at the Antioch Grade school Wednesday evening with local musicians furnishing the music. Merchants have donated prizes for the event.

American Legion Plans Carnival Queen Contest

A contest to select a queen of the American Legion carnival and her court will be conducted by Antioch post.

The contest will be open to any unmarried girl and the contestant may be sponsored by any organization—a store, factory, club or school. Entries will be accepted until June 17 after which voting will take place. The contest will end July 17, and the contestant receiving the highest number of votes will be judged American Legion Carnival queen. The next four highest will comprise the court of honor.

The queen and her mother, or guardian, will receive an all-expense paid trip to Washington, D. C.

Contest judges will be W. V. Lahti, Paul Erickson, Dan Lightsey, and Clinton Thompson.

Ten votes will be awarded on the purchase of a ticket.

Each contestant agrees to permit the American Legion to use her name in any publicity release or advertising during the contest.

Teaches Mathematics

DONALD L. CRAMER

Donald L. Cramer has been hired by the local high school Board of Education to head the mathematics department next school year. Cramer is a graduate of Kendall college. He is doing graduate study at the University of Illinois in the field of Mathematics and he will receive his Master's degree during the summer of 1954. Mr. Cramer has taught seven years—five of which have been in the Marseilles high school, Marseilles, Ill. He served five years in the armed forces during World War II.

Name Was Omitted

Mrs. Jeanette Tulumello's name was inadvertently omitted from the list of high school teachers who were given contracts for the 1953-1954 school year. Mrs. Tulumello will again teach in the social studies area. This past year she taught American History and Social Problems. Mrs. Tulumello has been teaching in Antioch for the past seven years.

Receives Cut Lip

John Skalak, of 932 Main street suffered a cut on his lip Saturday night when a parking meter near where he was standing was knocked over against him by the backing car of Monte Miller of 911 Main st. The meter was broken off by the impact of the car.

350 New Houses to Be Constructed in Next 3 Years by Horwitz

Zelinger Lane Excluded and Property Isolation Eliminated

Antioch's north boundary line was extended to Zelinger, or Cross lake from State Line rd. through annexation of the Crown Realty Co. subdivision by the village board Tuesday evening.

The territory involves approximately 600 lots which the Crown company plans to put on the market soon and start the construction of houses.

The annexation was approved after the realty company omitted the controversial Zelinger lane road and provided additional area to other neighbors so that they should not be cut off from township territory as the law provides.

Max Horwitz, head of the real estate firm, said that he will put in roadways satisfactory to the village and will construct houses suitable to the village code. His firm owns much of the floor of the lake and the shore line will be improved and beautified.

The new subdivision which lies east of Rte. 21, on Main st., is the largest subdivision to be added to the village in several decades and when fully built up will mean an addition of 350 year-round families and many more summer residents. Horwitz plans to connect his water system to that of Antioch's when the new well is completed.

Economic Highlights

The problem of communist teachers in the colleges is as delicate as it is important. On the one hand, is the cause of academic freedom, of the right and duty of the teacher to speak his mind and to deal with ideas which may be new, unorthodox and even revolutionary. On the other hand, is the fact that the well disciplined and educated communist can insidiously warp young minds and make black appear to be white. Almost everyone must realize by now that Communism is not just a legitimate political principle, like the classical socialism of Norman Thomas, or the British labor movement. These ideas, however much one may be against them, have their roots in the democratic process. Communism, on the other hand, has only contempt for the democratic process. Its avowed aim is domination of the world, through a series of centrally-directed and coordinated totalitarian states in which every vestige of opposition would be methodically and ruthlessly eliminated.

Those who are responsible for the operation of our universities have been devoting the closest kind of study and analysis of the communist problem. A result is a statement recently released by the Association of American Universities, and signed by the heads of 37 of these universities including such large and influential ones as Columbia, Harvard, Stanford, Duke, Johns Hopkins, California, Chicago, Yale, Princeton, and so on.

It begins with a discussion of the role and nature of the university. "Like its medieval prototype," it says, "the modern American university is an association of individual scholars . . . Free enterprise is as essential to intellectual as to economic progress. A university must therefore be hospitable to an infinite variety of skills and viewpoints, relying upon open competition among them as the surest safeguard of truth. Its whole spirit requires investigation, criticism and presentation of ideas in an atmosphere of freedom and mutual confidence. . . . To enjoin uniformity of outlook upon a university faculty would put a stop to learning at the source. . . ."

The statement then goes into the subject of the obligations and responsibilities of university faculties. Here it makes this telling observation: "There is a line at which 'freedom' or 'privilege' begins to be qualified by legal 'duty' and 'obligation.' The determination of the line is the function of the legislature and the courts. . . . Any member of a university who crosses the duly established line is not excused by the fact that he believes the line ill-drawn."

A this point the statement is highly critical of the professor who takes legal refuge in the Fifth Amendment as an excuse to refuse to answer questions—"if he is called upon to answer for his convictions it is his duty as a citizen to speak out." It continues with a ringing condemnation of Russian Communism and

all other forms of totalitarianism, stating, "Three of its principles in particular are abhorrent to us: The fomenting of world-wide revolution as a step to seizing power; the use of falsehood and deceit as normal means of persuasion; thought control—the dictation of doctrines which must be accepted and taught by all party members."

Finally, the statement comes to the heart of the matter—and it does that in unequivocal terms. The substance of its stand is found in these words: "Above all, a scholar must have integrity and independence. This renders impossible adherence to such a regime as that of Russia and its satellites. No person who accepts or advocates such principles and methods has any place in a university. Since present membership in the Communist party requires the acceptance of these principles and methods, such membership extinguishes the right to a university position. Moreover, if an instructor follows communistic practice by becoming a propagandist for one opinion, adopting a 'party line', silencing criticism or impairing freedom of thought and expression in his classroom, he forfeits not only all university supports but his right to membership in the university."

Grass Roots Opinion

CORVALLIS, ORE., GAZETTE-TIMES: "Perhaps the best suggestion for government loans to small business, is that the government should not make them, but guarantee them, as it now does loans to veterans. That was the recommendation of the Hoover Commission. . . . Small business would get help, banks would get the business, and politicians and influence peddlers would be frozen out."

SHELDON, IOWA, MAIL: "The Post Office, despite all opposition, continues to print names and addresses on stamped envelopes for forty-four cents per thousand. A Congressman doesn't have to be a printer to realize no one could set type, get a press ready, and run 1,000 envelopes through it for that price."

The Low Down from Hickory Grove

Your right to work is maybe more important than some folks might perchance choose to decide—and especially if you already belong to a union and have the idea that you are sittin' pretty. If the "no contract, no work" closed shop theme and system can be made to stick in your particular job, then you have no choice either—you don't work or eat until the boss man over at the Labor Temple gives you the nod.

The closed shop came in and stays in via rough tactics. State legislatures and the U. S. A. Congress, Governors, tip toe when the close shop boss man talks big and brash. There are more suckerish and limber bones per square acre in the vertebrae of the average elected person than you will find in the every day run of people.

A start must be made in clearing the way to work if you choose to work, to loaf if you choose to loaf, to be protected against goons, to join or not to join any or all or none, of the things joinable—the Elks, the Methodists, the PTA, the 1st base bleacher club, the fisherman's or liars club, the plasterers. It all boils down to "Freedom"—freedom to work for what outfit, for how long, at what job. Nudge your governor and congress—they don't know what kind of a pickle you are in—you never write the great men. You vote 'em in and let it go at that as your freedom grows skimpier and skimpier.

Yours with the low down,

SOCIETY EVENTS

B. P. W. Club Installs Officers at Dinner

The Antioch Business and Professional Women's club held its annual dinner and installation of officers Monday evening at the Rurallite. Forty-five members were present.

Mrs. Fern Lux installed the new officers with Mrs. Lillian Hand again assuming the office of president. The other executives are Mrs. Vera Smith, vice-president; Mrs. Russell Barthel, secretary; Mrs. Alice Freeman, treasurer; and Mrs. Elmo Edwards, Scout Home representative.

President Hand gave a report on the national convention of women's clubs held in Chicago in April, and Mrs. Carolyn Horan reviewed the activities of the club during the past year.

Girls' and Boys' State Representatives to Be Selected at A. T. H. S.

Each year the American Legion Auxiliary has our school select a girl to be sent for a week's training in citizenship at Girls' State.

These training programs afford girls the opportunity to live together as self-governing citizens; they learn "by doing" the duties, responsibilities, as well as the rights and privileges of American citizenship, in order that they may better understand and participate in the functioning of our government.

Eligibility is limited to girls in the junior year. They are to be selected according to the following qualifications: Leadership, Honesty, Character, Scholarship, Courage and Co-operativeness.

A list of names of junior girls who could go, if selected, has been procured. Eleven girls have submitted their names and these names are being checked in the office for scholarship, after which they will be submitted to a vote of the student body. The students will eliminate down to five names, and these will then be submitted to the faculty who will select the representative and alternate.

The thirteenth annual session of Illinois Girls' State will be held on June 16 to 24, on the campus of MacMurray College in Jacksonville, Ill.

American Legion Award

The American Legion provides the same opportunity for a boy from our high school to attend Boys' State. The boy selected must possess the same outstanding qualities required of the girl in order to be eligible to attend. This training program is restricted to junior boys. Five junior boys have expressed their desire to attend, so their names are at present in the office where they too are being checked for scholarship.

The student body will vote to eliminate the names of boys to a group of three. These will be submitted to the faculty who will make the final selections.

Arlyn Schneider and Frederick Popp Wed At Gurnee Saturday

Miss Arlyn Schneider, daughter of Mr. and Mrs. Walter Schneider, Sr., and Frederick William Popp, son of Mr. and Mrs. Fred Popp, both of Lake Villa, exchanged marriage vows at 7 p. m. Saturday at the Gurnee Community church, with the Rev. Lloyd Ogilvie officiating.

The bride, given in marriage by her father, was beautiful in a gown of chantilly lace over net and slipper satin fashioned with a full cathedral train with nylon tulle ruffles, and trimmed with seed pearls. Her finger tip veil of chantilly lace edging was held by a band of seed pearls. Her bouquet was of white roses and stephanotis.

Mrs. Gordon Blumenschein, sister of the bride, served as matron of honor, and Mrs. Joseph Oberne, sister of the bridegroom and Clarine Kenyon served as bridesmaids. They wore gowns of mint green nylon net over taffeta with accordion pleated aprons, with matching gloves and hats and their bouquets were red roses.

Jane Schneider, sister of the bride, served as ring bearer and Norma Blumenschein, the niece, served as flower girl. They wore floor-length gowns of pink nylon tulle over taffeta with hat and gloves to match.

The bride's mother wore a copper sheer dress with matching accessories and a corsage of pink roses. The mother of the bridegroom wore light blue crepe with matching accessories and her corsage was of red roses.

Millard Schneider served as best man and Fred Teltz and Otto Beager as ushers.

"Through the years" and "The Lord's Prayer" were sung as a prelude to the service.

A reception following the wedding was given at the American Legion home in Fox Lake and was attended by 400 guests.

Mr. Popp and his bride left for Phoenix, Ariz., on their wedding trip and will be at home at Grayslake after May 16.

Mrs. Popp is a graduate of Antioch Township High School and Mr. Popp is a graduate of Elmhurst High school. He is employed by the Bell Telephone company and she has been employed at Great Lake Naval Training Center.

The Maurice Bowns of Rte. 59 Become Flying Farmers, Adopt German Orphan

Cows must be milked every day, a situation that leaves little spare time for the dairy farmer, but to the Maurice Bown family two miles south of Antioch on Rte. 59, the desire to go places and back in a hurry has been satisfied. They fly.

As one of the rapidly increasing number of flying farmers Bown and his family are getting great enjoyment from their Cessna 120 and this fact recently was given notice in an article in the National Flying Farmer.

"Mr. Bown began his flying only when he had passed his thirty-sixth birthday," said the article. "He joined a flying club at the Waukegan airport, but the thrill of his first solo gave him the determination to own a plane. With a partner, he bought a Piper Cub and the two checked their private tickets in that."

In the meantime, Bown obtained state permission to build a landing strip 1,800 feet in length at his farm from which he operates. Then his partner, Clarence Hansen, constructed a strip on his farm, bought the Bown interest in the Cub, and became a flying farmer also. The Bowns then bought the Cessna 120,

and Hansen since has bought a new plane.

But there is another angle to the story of the flying Bowns, Maurice and Hallis.

They adopted a six-year-old German orphan and this fact extended their flying experience.

Mrs. Bown took a plane from Chicago to New York, her first trip that far, and met the boy who was flown from Frankfurt, Germany, on the Belgian Air Lines plane with a group of other orphans to Idlewild Airport, New York on June 28, 1952.

He knew no English and she knew no German so there was an awkward silence when she met him. The boy hesitated, but the toy or two she took along made things right, and authorities at the airport helped them until they got aboard the returning plane. Matters ran smoothly from then on.

Ralph learned English rapidly and takes to flying readily. "The Bowns feel that the event has proved that the airplane puts thousands of miles of distance within reach of the average traveler, and best of all makes every place in the world a close neighbor," the article concluded.

Antioch Auxiliary Unit Will Stage Poppy Day, And Posters Contests

Saturday, May 23, will be observed as Poppy Day by the American Legion Auxiliary in Antioch. On that day the little red artificial poppies will be sold on the streets for whatever citizens will contribute.

Funds realized from their sale will be used for service work in 29 hospitals in Illinois where veterans are hospitalized.

Veterans who make the poppies are paid for their work by the Legion and through this small stipend are able to contribute to the support of their families.

Auxiliary women receive no compensation.

Posters telling the story of the Memorial Day poppy are being made by pupils of the Antioch Grade and other nearby schools and will be displayed locally during May and after Poppy Day.

A contest for the best posters has been divided into three classes—pupils of the fourth, fifth, and sixth grades; those of the seventh, eighth, and ninth grades, and those in the tenth, eleventh, and twelfth grades. Mrs. Oscar Onstad, poppy chairman, is in charge of the contest.

Community Club Plans Activities; Reviews Success of Its Show

The Channel Lake Community club voted to buy ping pong equipment for the In-betweeners and Chan-teen dance groups. Dances are held in the Channel Lake School basement and the groups alternate Thursday evenings. Miss Bessie Barnes instructs both groups.

The Channel Lake Community club is interested in the community's opinion on a mixed bowling team, and anyone interested in bowling is asked to contact Marine Dahlman Ant. 272-M-1.

On Monday, May 11 at 8 p. m. a special meeting of the Channel Lake School Board will be held to discuss building expenses. This meeting is open to all residents of the school district and should be well attended so that the school board may have expressions of opinion. Officers of the School Board are Vern Heath, Elmer Eberman and Edwin Hucker.

The curtain has been rung down, the make-up put away and costumes have been discarded, but fond memories of the biggest and best variety show still remain. The cast played to a packed house

both nights and the producers still can't tell which had the more fun, Eddy Zerr, kept the show moving the performers or the audience. It was a wonderful show, enjoyed by all. The master of ceremonies, Eddy Zerr, kept the show moving the performers or the audience. It was a wonderful show, enjoyed by all. Don't let 'em tell you: "All gasolines are alike!" — SEE

FLAMING PROOF of D-X's
GIANT DIFFERENCE

See how D-X Lubricating Gasoline helps give you longer Engine Life

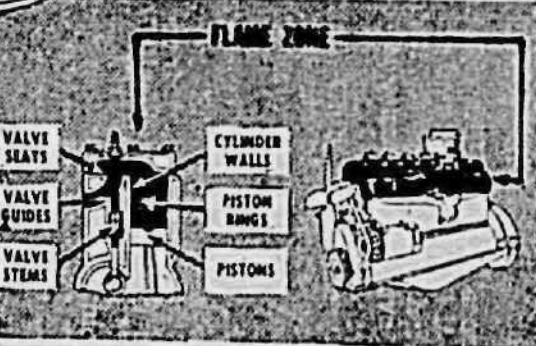

This Test Shows...

1. Right Before Your Eyes—Your D-X Dealer fills two saucers with gasoline, one with ordinary gas... one with D-X. When he burns them off, what's in the dishes shows you the Giant Difference in D-X Lubricating Gasoline.

2. Like Inside Your Engine—Run your fingers across the dishes. See and feel the difference between the protective oily film of D-X and the other gasoline's hard carbon residue. Which do you want in your engine?

Of course you want the oily film of D-X protection! Even now, you may be buying costly upper-cylinder "dopes" to get the benefits of this Giant D-X Difference. But why pay extra for it? This protection is yours in both D-X Regular and D-X Ethyl—at ordinary gasoline prices! See this Flaming Proof today. Then get the upper-cylinder protection of D-X Lubricating Gasoline. It's sold with the D-X money-back guarantee. See your D-X Dealer now.

ANOTHER GIANT VALUE!
NEW, STEPPED-UP D-X MOTOR OIL

It's stepped-up with Extrinol to make it fight wear during constant temperature changes—from cold-engine starting to hot-engine, high-speed highway driving. That's why new D-X Motor Oil with Extrinol exceeds official aviation-oil standards.

Get Flaming Proof! Get the Giant Difference! Get D-X!

NOTICE OF SALE

Notice is hereby given that on Saturday, the 9th day of May, 1953, the Trustees of Schools of Township 46, Range 10, Lake County, Illinois, will sell at public auction sale on the school premises herein-after described, at the hour of ten o'clock A. M., to the highest and best bidder the following described property:

A two-story frame residence - building (only) standing on the northwest corner of the present Antioch Township High School campus on Main Street, Antioch, Illinois.

which sale shall be made on the following terms and conditions, to-wit:

No bid shall be retracted.
The highest bidder shall be the purchaser.

Immediately after the bid is accepted, the purchaser shall pay to the order of the Township Treasurer of Township No. 46, Range 10, a deposit of fifty per cent upon the amount of the purchase price. The balance of the purchase price shall be paid and the purchase completed at the office of the Township Trustees of Schools, Antioch, Illinois, by the 16th of May, 1953. Upon payment of the balance purchase price money, the seller shall make and execute a proper bill of sale of said building.

Purchaser agrees to remove said building from the said premises within sixty days after May 9, 1953. The removal of said building shall be done in a good and workmanlike manner and with sufficient care so as not to damage the property of the School Board or any other adjoining property.

The purchaser agrees to comply with all ordinances and regulations of the Village of Antioch, Illinois, in connection with the removal of said building.

If the purchaser shall fail to comply with any of the foregoing conditions, the money deposited by said person shall be forfeited as liquidated damages and the seller shall be at liberty to resell the property at such terms and in such manner as it shall see fit.

Dated: April 20, 1953.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

LAKELAND BUICK - Highway 12 - Fox Lake, Illinois

You've probably heard the news by now.

About the dazzling getaway and performance of this 1953 Buick SPECIAL.

About its new record-high horsepower and compression - its more velvety Million Dollar Ride - its bettered handling - its luxurious new comfort, trim, appointments.

But have you heard the happiest part of the story? You can step into this rich, roomy, robust-powered Buick for just a few dollars more than you pay for the "low-priced" cars.

That's fact - and we show our delivered price to prove it.

But look beyond the extra room and comfort and power and thrill you get for the money in this Buick, and you discover something else:

You find a whole lot of important little things are provided here as standard equipment that most

other cars of similar price charge as extras - things like direction signals, oil-bath air cleaner, full-flow oil filter, dual map lights, trip-mileage indicator, automatic glove-box light.

So - it's up to you, good sir.

It's up to you to look into this terrific, thrill-packed 1953 Buick SPECIAL.

It's up to you to try it - compare it - and see for yourself it's a buy you can't deny. Why not drop in this week?

THE GREATEST
BUICK
IN 50 GREAT YEARS

Set Rug Trend
Queen Elizabeth of England is credited with having put the rug in its place. By the queen's order, a large rug was spread over rushes on the floor of her throne room, according to historical researchers of Johnson's wax. Bumpy as the surface must have been, it set a fashion that endured, although the polished floor has now supplanted the rushes.

Pastor's Hobbies
Rev. Basil D. Hall, a disciple clergyman, Western, R.I., has three hobbies . . . ornithology, landscape paintings, and the study of human hands.

Highest Pensions
Colorado provides the nation's highest pension payments to the aged.

Storing Carrots
Carrots should be stored in a cool place, preferably the refrigerator, but the tops should be removed and the roots washed before storing in a refrigerator.

Conference Election**

Plans are now under way to organize the Student Councils of the Northwest Conference Area into a permanent working body to more closely coordinate the work of the schools in this area. The schools included are Antioch, Grayslake, Elmhurst, Grant, Palatine, Bensenville and Wauconda.

Each school is to send two representatives to serve on the nominating committee to submit a slate of officers to fill the various offices required and to make plans for the Northwest Convention to be held on May 21. The two representatives selected from our Council are Carol Cervinka, a sophomore, and Shirley Ross, a junior. The slate of officers being presented from our school are:

President—Jerry Healy, Junior.
First vice president—James McMillen, sophomore.
Second vice president—Warren Brownlee, sophomore.
Secretary—Carol Cervinka, soph-

omore
Treasurer—Shirley Ross, Junior
Convention secretary—Joanne Haak, Junior.
No school will be allowed to fill

more than two different offices, and all candidates must be sophomores or juniors so that they will be in school the next year to work with their own councils.
